Thanks Cesar and I can call Commline and try to get them over here ASAP to take a look at the antenna. Please advise.

**Subject:** Radios malfunction

Lisa, Jim and Ron information,

We are having problems with the radios. Radio traffic is on and off through the day. I believe the issue is the antenna located at 1040 Las Palmas (Hollywood Center Studio). Jim if you can contact me, I would like to speak to you in regards Commline services.

I will have all the shift (HMDB.I.D officers) Patrol together for the meantime.

Thank you.
